

CAPABILITY STATEMENT

Ballardong Medical Pty Ltd is unique Western Australian Aboriginal owned First Aid & Medical training and supplies business, it is a 50% Indigenous owned business between Ballardong a Supply Nation Certified company and Sanax Medical a leading Australian owned first aid supplies company. We have a dedicated team of sales and warehouse staff working from our Malaga warehouse to deliver a range of Personal Care, Pharmaceutical, First Aid & Medical, Personal Protective Equipment, Emergency Medical Devices and Safety & Rescue products as well as first aid training courses to government departments and private sector organisations. With ambitions to become Australia's first Aboriginal Pharmaceutical, Medical and First Aid supplier to government and private sector, we would welcome an opportunity to discuss how we can start working together.

Key product categories

- First Aid Training courses
- Personal Care (Shampoo, Conditioner, Body Wash, Vitamins)
